Dear Alex Moscovitz:

Thank you for continuing to consult with the Division for Historic Preservation of the Office of Parks, Recreation and Historic Preservation (OPRHP). We have reviewed the submitted materials in accordance with the New York State Historic Preservation Act of 1980 (section 14.09 of the New York Parks, Recreation and Historic Preservation Law). These comments are those of the Division for Historic Preservation and relate only to Historic/Cultural resources.

We have reviewed the draft structure documentation report dated November 29th, 2022 that was submitted to our office on March 15th, 2023. Based upon our review, we find that the documentation **meets the requirements of Stipulation 1 of the Letter of Resolution** in place for this project. **We look forward to receiving the final documentation.**

If you have any questions, I am best reached via e-mail.

Sincerely,

Olivia Brazee
